

PROPOSED AMENDMENTS TO AB 2591

Legislative Counsel No. 1011427

Set # 1.0(Budget Committee)

The proposed amendments:

- 1) Add specified reporting requirements and dates for budget information that must be provided by the Governor. This language was moved from ACA 4, which now refers to statute to define these reporting requirements; and,
- 2) Make various non-substantial technical changes. For example changes to paragraph numbers.

COMMENTS:

The amendments detailed above were made at the request of the *California Forward* organization.
